the 2010 Fifa World Cup might be close to 400 000, says consultancy Grant Thornton, with higher than expected African air arrivals and huge numbers from countries whose teams did well contributing to the figure.

**Bright future for FNB Stadium**  
The FNB Stadium in Johannesburg, a hub of activity during the 2010 Fifa World Cup, is the most profitable facility that was built or renovated in South Africa for tournament matches - and its success as a venue looks set to continue.

**Sophie Ndaba backs the Class of 2010**  
As South Africa's grade 12s gear up for their final exams, Brand South Africa, iSchool Africa and the Department of Basic Education have intensified their call for South Africans to help improve the chances of underprivileged learners. *Generations* actress Sophie Ndaba champions the School of 2010 initiative.

**International awards for SA stadium**  
South Africa's FNB Stadium, previously known as Soccer City, was a major hit with the fans during the 2010 Fifa World Cup. It's also been racking up the design and construction awards, most recently being named the overall winner at the prestigious international Leaf Awards.

**Football for Hope in Windhoek**  
Katutura township, in the heart of Namibia's capital of Windhoek, came alive on Saturday as locals gathered to witness the opening of the Katutura Football for Hope Centre - the third of 20 such centres being built across Africa as a legacy of the 2010 Fifa World Cup.

**World Cup trust fund to be launched**  
A trust fund is to be formed to oversee the money that Fifa gives to South Africa following its successful hosting of the first Fifa World Cup on African soil, to ensure that the money goes towards football development in the country.
